BEACH & GOLF RESORT

EL TAMARINDO BEACH & GOLF RESORT

El Tamarindo Beach & Golf Resort is built on a splendid peninsula that juts out into a cliff-ringed bay. The resort is 45 minutes drive north of the Manzanillo International Airport.

The Tamarindo development boasts one 18-hole championship golf course, ranked # 2 in Mexico and a luxury boutique resort. It comprises fifteen kilometers of beach and nine hundred acres of exuberant vegetation. It serves as a model for the delicate balance that has been achieved between the natural environment and the highest standards offered in our intimate and luxurious resort.

Given the region's moderate to warm climate, light clothing is recommended for the day and resort casual for the evening. **Costalegre** extends for over 200 kilometers along the Pacific Coast on the southern point of the State of Jalisco between Puerto Vallarta and Manzanillo, Colima State.
